## Winter 2014

From the Village President....

Greetings,

By the time you get this we will be into the Holiday season; hope everyone had a Merry Christmas and Happy New Year. Driving around the Village, it was great to see all the decorations that were put up for the Christmas season. Be sure to keep your sidewalks clear this winter and also no vehicles are to be parked overnight on the streets; so when we have snow the Village can plow.

Thank you to the Village Employees for a job well done this year.

The Village Caucus will be held on January 7th, 2014, at 7pm. If anyone is interested in running for the Village Board, please attend the Village Caucus.

Best wishes to all in 2014,

John L Zouski  
Village President

From the Village Office....

The Village of Plainfield has set up a Website. Website address: [www.Plainfieldwis.com](http://www.Plainfieldwis.com)

Any business that would like to advertise on website, please contact Charyn Schultz @ 715-335-6501

After January's newsletter, the newsletter will be on website. I will not be mailing them out unless you contact me for a copy. The Village Office and Library will have copies for you to pick up as well.

Thank you to all businesses and organizations for advertizing on our website.

From the Maintenance Department....

Recycling:

We start at 8am the first Wednesday of every month; be sure to put out your recycling no earlier than 6pm the night before. No loose items. Our personnel handles the items twice from the curb to the dumpster so please have your recycled items bagged or boxed.

## Snowfall:

We require sidewalks be cleared within 24 hours of the last snowfall.

Christmas trees may be put to the curb for pickup at the Maintenance Department convenience.

## From the Library...

Another year has flown by! So begins the 2014 season. The Plainfield Library Board and I appreciate the continued support we receive for our library from the Village of Plainfield, Town of Plainfield, Town of Oasis, Town of Leola and Waushara County.

Coming soon in January we will have a new look to our home page! We hope it will make it easier for you, the customer to place holds on items and see our new arrivals. Our website is [www.plainfieldlibrary.org](http://www.plainfieldlibrary.org)

On Wednesday, January 8th from 6:30 to 7:30 pm the 4-H Youth Development Program through Waushara County UW Extension Office is sponsoring a STEM Program at the library. This is for 4th graders and older and is a Free Program. January's theme is "The Incredible Journey" Explore the water cycle as you embark on the journey of a water molecule. Where will you go?

Stay warm and visit the Plainfield Library over the winter months.

Linda Helmrick/Director

## **Season's Greetings from the Plainfield Fire Department**

**The Plainfield Fire Department would like to take the opportunity to remind our residents of a few important seasonal home safety checks.**

- Remember to clean out your dryer vents at least twice a year. Over 4000 house fires are started annually because of plugged dryer vents.
- Make sure if you have a live Christmas tree this year that it is watered daily. This will keep your tree from drying out too much and prevent a possible fire hazard. Also make sure your lights on your tree are in good serviceable condition. Frayed wires can create a fire hazard.
- Have your fireplace chimney cleaned annually. This will help prevent possible chimney blockages that can lead to fires.
- Be sure your house number is clearly visible from the road. House numbers that are faded, hidden or missing make it difficult for the fire department to respond to the correct house when answering emergency calls.

**Please have a safe Holiday Season!**
