

Village of Plainfield Newsletter: Fall 2014

From the Village President.....

Greetings,

Another season is upon us and by the time you read this school will already be in session. Don't forget to slow down and watch out for our children as they walk to and from school each day. Let's strive to keep them safe. Because it's harvest time, our roads are busy with trucks hauling crops to market and storage. Please be extra alert while driving to avoid accidents.

Thank you to all who have taken time to keep their property in great shape.

As many of us have heard that Clark's True Value Hardware Store is closing and will be truly missed. Thank you to Stewart & Cathlene Clark & Deb Caves for their excellent service to the Community. The best of luck as you move onto a new adventure in your life.

The Splash pad was a great success this year and was enjoyed by many families. Thank you to the Plainfield Lions for putting up stone benches and tables at Veterans Park by the Splash pad. The park is looking better than ever.

Wishing everyone a safe and healthy fall,

*John L. Zouski
Village President*

From the Maintenance Department....

***Leaf pick up will be at our convenience so please bag your leaves and have them ready on the shoulder of the road for the tractor to pick them up.*

***Before we know it, the snow will be falling. Just a reminder to keep sidewalks shoveled.*

Library News...

The Friends of the Library would like to thank everyone who brought baked goods and came to the Book and Bake Sale. We made \$386.55; the funds will help with 2015 Summer Library Program.

The Friends would also like to extend their gratitude to our local V.F.W. Post 6007 for sponsoring a Raffle in- conjunction with the Friends of the Library. We made \$387. The winners of the Raffle are; Shirley Reid, she won 1st Prize, the hand stitched queen sized quilt and Linda Klingforth won the 2nd Prize \$50.00 and 3rd Prize \$25.00. The funds raised will help with 2015 Summer Library Program.

Starting October 1st the Library will put up their mitten tree to help young and old who need mittens, hats, or scarves. The items will be donated to the S.O.S.

If you tried the "Tangle Class" we had at the library, then you'll be happy to know there will be an ongoing, once a month brain storming, work at your own pace, get together! It will be the 2nd Tuesday of each month beginning October 14th from 6 to 8. This would be a great way to create something special for the holidays! If you were unable to attend the first classes, please stop in to see if it may interest you, I'm sure the group would show you what you need and how it works.
