

Fall 2015

From the Village President.....

Greetings,

Hard to believe the summer months are behind us and fall is fast approaching. I would like to thank everyone that took the time to make their properties look nice this summer. Village has a new business going up behind the Dollar General. True Value Hardware Store is being built by Roger Erdman and tentatively set to open around Thanksgiving. Plainfield Trucking has decided to build a brand NEW Office and Repair facility. Best of luck to both businesses, can't wait to see the brand new buildings. Thank you to all businesses in the Village for your continuing support to the community.

Wishing everyone a safe and healthy fall,

John L Zouski

Village President

Thank you to Rocky from Plainfield Dump for donating garbage bags to Veteran's Park.

Thank you to Jackie Janson for taking care of the Plainfield Square Garden.

Thank you to Ken Dunnett for donating flowers to the downtown flower pots.

From the Police Department.....

SCAM ALERT

Be careful when using Craigslist for job opportunities. The latest scam starts with the victim contacting the possible employer for a position as a personal assistant. The job would require that the victim receive mail and cash checks.

What ended up happening was that the suspect would issue a bad check to a victim. The victim would deposit the check in her account and would wire the money to the suspect overseas.

By the time the check was discovered to be bad the victim had the wired money from her account.

Be very careful when using Craigslist.

If you have questions about crime prevention contact, the Plainfield Police Department at (715) 335-8282.

Thanks,
Chief Aaron Kumferman
