

Village of Plainfield

Greetings from the Village President

As I sat down to write this article and looking outside at the snow we still have on the ground and wondered as the rest of us, if spring was ever going to come. This has been a tough winter and we welcome spring when it arrives. Also more people will be out walking, so please drive carefully and watch out for the children who will be out and about.

Remember to keep you water trickling till notified by the Village Office. Even though it has warmed up for a few days, doesn't mean the frost is out of the ground. PLEASE continue to trickle your water to avoid any freeze ups. Thank you for doing this.

Wishing everyone a safe and warm spring.

John L. Zouski
Village President

From the Maintenance Department.....

Thank you to all residents that have been patience with any Water/Sewer issues they may have had. This winter has been out of the normal for everyone, so please continue to trickle the water until further notice.

Plainfield Library News

Here are coming events at the Plainfield Library that both young and old will enjoy!

*National Library Week, April 13th to 19th. We will have a guessing game all week for adults

and children. You will get one guess per day. On Wednesday April 16th there will be a craft project all day for children and adults. What a great way to celebrate having a library in our community!
*STEM Program will be Wednesday April 9th from 6:30 pm to 7:30 pm at the library. The project will be "Artsy Science" - Use science to make a crystal heart or a shape of your choice, water colored dyed socks. This program is for 4th Graders and older.
In May the STEM Program will be on Wednesday, April 9th from 6:30 pm to 7:30 pm at the library, the program will be "What are you eating?"
Coming in June and July will be our Summer Library Program "Fizz Boom Read." We will have advertisement coming out with all the details or visit our new web page that will have all the information you need at www.plainfieldlibrary.org

Have a Happy Spring!!
Linda Helmrick/Director

Parks Committee

Signs of Spring are starting to show outside. I'm so excited that the Splash Pad will be up and running this summer for all ages. Plans for the Splash Pad are going to start in May and thank you to everyone that donated to help make this happen. Big Thank you to the Plainfield Lions for all their hard work.

Received a grant for \$250 from American Transmission Company for Arbor Day. The Village will be ordering more trees to plant in the parks.
