

# Winter 2016

## From Village President.....

Greetings,

As I'm writing this note, it's hard to believe it is mid December with the cold weather compared to last year (43 degrees and rain). Making it hard to think Christmas is only days away. Driving around town it is nice to see residents and businesses have decorated so wonderfully. Take some time and drive around, look at all the decorations.

The year is winding down and the Village is in good financial state. Thank you to all Board Members and Village employees for keeping our expenses down.

**REMINDER:** Village Caucus is January 3rd, 2017 at 6:30pm at the Municipal Building. If anyone is interested in running for 1 of 3 Village trustee spots or Village President, be sure to show up.

Thank you to the Village employees for a job well done this year, wishing everyone a Merry Christmas and Happy New Year.

May you have good fortune and health,

John L Zouski, Village President

## From the Library.....

There has been a lot happening at your library in the recent months. We had a mitten tree to collect hats and mittens for the local SOS Christmas basket project. Thank you to everyone for donating. There were 51 hats and 22 pairs of mittens on the tree. Many people will be warmed by your generosity.

Every Tuesday afternoon the kids gather for Lego Club. They build something that is put in the display case for everyone to see until the next Tuesday. The creativity is amazing! Lego Club will continue in 2017. Everyone gathers after school about 3:15. After building their project, the kids have a PB&J sandwich and a juice box before heading home. Come join the fun!

In September, Xanthe organized a Game Day. Two Mondays a month, teens can come to play board games together. The Teen Game Club gathers after school about 3:15 and plays for about an hour. Xanthe is a game enthusiast and brings in lots of new games each time. In November, she hosted a Family Game Day. She has also set up a collection of several games to be played at the library any time anyone is interested in spending a little time. Teen Game Club is set to continue in the new-year beginning Monday, January 9. Come, play, and meet new people!

Looking ahead, plans are being made to have a 7 week Fall Prevention Workshop sponsored by the Department of Aging for adults and a series of 4 STEM programs for the kids. Keep your eye on the library website [www.plainfieldlibrary.org](http://www.plainfieldlibrary.org) for all of these exciting events and more.

The Plainfield Library Board and Linda appreciate the continued support our library receives. Thank you to the Village of Plainfield, Town of Plainfield, Town of Oasis, Town of Leola, and the Waushara County Board.

Have a joyous holiday season and a wonderful new year! Come see us!
