

Village of Plainfield Newsletter

2017

Greetings from the Village President

Hard to believe we had some nice warm weather a month ago and today it is snowing. I think everyone is getting anxious for the warmer weather coming. Think Spring!!! Everything in the Village is staying on course as we work thru our projects. At this time there are no big projects planned.

The Village is always looking for any investments to help grow our community. Mr. Steven Hackbarth of Brillion, WI has land in the Village that he is looking at developing. If anyone is interested please contact Steven @ 920-418-4162, he is open to any and all ideas that you may have.

Don't forget Election is April 4th for Village Board, School Board, County Seats and School Superintendents.

Wishing everyone a great spring and upcoming summer.

John L. Zouski

News Release:

Attention: Waushara Veterans of Foreign Post 6007 of Plainfield will not be having a parade on Memorial Day (May 29th, 2017). Instead we will have our ceremony at Veterans Memorial Park at 10:00am, following after a gathering with cookies and refreshments. Everyone is encouraged to stay and honor those who have served the great country.

Thank you,

John L Zouski, Quartermaster Waushara VFW Post 6007

Plainfield Library News

Think warm thoughts! Hopefully by the time this newsletter comes out the grass will be greener, the sun a little warmer and the days will be getting longer!! Come and visit the Plainfield Library for your outdoor living experience. Maybe you would like to change how your home looks from the outside, why not try landscaping or painting the exterior or maybe you would like to have a deck or patio? The library has many books to give you ideas and samples to look at that will tell the how to do each step correctly. If you are thinking of putting in a garden this year and this is your first time, we have information at the library that will help you from the beginning to end for the planning process.

Throughout April, May, and June we will continue our popular Lego Club and PB&J Tuesdays every week at 3:15. Our Teen Game Club gives teens an opportunity to unplug and enjoy board and card games. We meet April 10th & 24th, May 8th & 26th, and June 12th & 26th. Before you know it summer will be here and our Summer Reading Challenge "Build a Better World" will begin. Come in May 22nd to the 27th and make a building to add to our village. Children and teens can pick up their reading logs on June 2nd.

Mark your calendar for Saturday, May 6th from 10 to 11:30 a photo presentation by Dorothy Wester about her trip to India! Take a trip at the comfort of the library. Light refreshments will be served.

Don't forget, National Library Week is April 10th to the 15th. We will have some fun events planned for that week. So please stop by!!!

Happy Spring!
