ORDINANCE 2022-02

AN ORDINANCE TO AMEND SECTION 6-1-5 OF THE CODE OF ORDINANCES FOR
THE VILLAGE OF PLAINFIELD

THE BOARD OF TRUSTEES OF THE VILLAGE OF PLAINFIELD DOES HEREBY
ORDAIN AS FOLLOWS:

Section 6-1-5 of the Code of Ordinances is hereby amended to add in a Section (d). That portion reads as follows:

(d) EXCEPTION.

(A) Purpose and Intent

It is the purpose of this exception to provide standards for the keeping of domesticated chickens. It is intended to enable residents to keep a small number of chickens on a non-commercial basis.

(B) Definitions

1. Chicken – The common fowl (*Gallus gallus, domesticus*) especially when young; also – its flesh used as food.
2. Pen – shall mean a wire enclosure connected to a coop for the purpose of allowing chickens to leave the coop while remaining in an enclosed, predator-safe environment.
3. Coop – shall mean a structure for the sheltering of chickens. An existing shed or garage can be used for this purpose if it meets the standards contained in this ordinance including the required setbacks from property lines.

(C) Number and Type of Chickens Allowed

1. The maximum number of chickens allowed is six (6) per tax parcel.
2. Only female or neutered chickens are allowed, no roosters. There is no restriction on chicken species.

(D) Coop and Pen Construction

The chickens shall be provided with a covered coop and attached pen. Chickens shall not be allowed out of the coop or pen.

(E) Location

1. Chicken coops and pens shall not be located closer than fifty (50) feet to any lot line. They are also required to be in backyards.
2. Chicken coops and pens shall not be located closer than seventy-five (75) feet from the ordinary high water mark (OHWM) of any river or stream.

(F) License to Keep Chickens

1. Any person applying for the license from the Village must first have a Livestock Premises Registration Application form properly filed with the State of Wisconsin. This is pursuant to Wis. Stats. §95.51 and Chapter ATCP 17 of the Wisconsin Administrative Code.
2. LICENSE REQUIRED. The owner of any chicken (*Gallus gallus domesticus*) more than eight weeks of age shall annually, or on or before the date the chicken becomes eight weeks of age, pay the chicken license fee and obtain a license. The word "owner" shall include every person who owns, harbors, or keeps a chicken.
3. FEE. The license fee shall be \$20 for a single license to keep up to six (6) chickens. The license year commences on January 1 and ends on December 31.
4. LATE FEES. The Village Clerk shall assess and collect a late fee of \$5 from every owner of a chicken eight weeks of age or older if the owner fails to obtain a license prior to April 1 of each year, or within 30 days of acquiring ownership of a licensable chicken, or if the owner fails to obtain a license on or before a chicken reaches the licensable age.
5. ISSUANCE OF LICENSES. Only one license may be issued to each parcel number. Upon payment of the required chicken license fee, the Village Clerk shall complete and issue to the owner a license stating the owner's name and address, parcel number, date of issuance, and date of license expiration. The Village Clerk shall keep a duplicate copy of the license on file.
6. PENALTIES. Any person who shall violate any of the provisions of this section shall be subject to the general penalty section of the Village of Plainfield Code of Ordinances.
7. CONFINEMENT OF CHICKENS. In addition to any other provisions in this chapter, chickens shall be kept in the following manner:
 - (1) No person may keep a chicken over eight weeks of age in a principal structure.
 - (2) Chickens shall be kept within a structure such as a coop or fenced area used exclusively to keep chickens.
 - (3) No accessory structure used to keep hens shall be located within 25 feet of any principal structure which is not owned by the person licensed to possess said chickens.
 - (4) No accessory structure used to keep chickens shall be located in a front or side yard.

NOW THEREFORE, the matter coming before the Village Board on _____, 2022, and the Village Board acting pursuant to Wisconsin Statutes, it is hereby ordained that the above described amendment be made.

This Ordinance shall be in full force and effect after its passage and publication.

Enacted by the Village of Plainfield, Board this ____ day of _____, 2022.

Amanda Gear, Finance Chairperson called to order the March 1, 2022 Village Board Meeting at 7:00 p.m. in the Municipal Building.

The Pledge of Allegiance was recited.

Roll Call: Cummings, Weis and Roesener. Lauer, Miller and Luna were absent.

Motion by Cummings, second by Roesener to approve the agenda with the following changes. Deletion of item F. Under Items To Be Acted Upon removal of this item by Police Chief Fenske. Addition of Item D. Items for Discussion: Repairs to Irrigation System on our Leased Land and Item F. Items For Approval: Approve Repairs to Irrigation Corner Pivot Plus Upgrades for \$87,728.40 from the Sewer Dept. Motion carried.

Motion by Cummings, second by Weis to approve the minutes from the February 1, 2022 Board Meeting. Motion carried.

Guests: Ed Makaryk, Police Chief Fenske and Supt. Zouski

Motion by Gear, second by Weis to approve the bills as presented. Motion carried.

Committee Reports:

Wies said she had two milk coolers donated to the Village from Tri-County School. They will be placed in Veteran's Park Pavilion for the Firemen to use during their Jamboree and any other organizations to use.

Items For Discussion:

Weis said that she had a Parks meeting to discuss replacing the old rotted wood on the west side of Veteran's Park pavilion. She said this does not look good when there are events in the Park and this building is being used. A few years ago the Lions Club re-did the north side of the pavilion taking off the old wood and replacing it with steel. She said she spoke with the Lions Club and they are not interested in helping with this project as they want to work putting in more roll down curtains in the pavilion instead. Cummings asked if this could be done in house or if it would need to be hired out. Weis said this could be done in house and that she was going to be asking some of the Firemen when they put up the lean-to addition on the pavilion if they would be willing to do this area as well.

Weis said that the maintenance crew will be taking out a couple of old freezers and refrigerators to make room for the new coolers that are coming from the School. She said the pavilion will still need one new or good used freezer and refrigerator and it should be all set for events.

The Union Telephone Company is going to be placing telecommunication cable and equipment within the Village during the 2022 construction season. They included a map of where they are going to be working and just wanted to inform the Village of their intentions. A consent form will be signed and forwarded to Union Telephone Company.

The next item discussed was the repairs and upgrade to our irrigation system on 6th Avenue. Roesener said he received a quote for this work from Oasis Irrigation for \$87,728.40. The system needs a new panel, gear box, etc to be in good working order for the farmer who is leasing this land.

Items To Be Acted Upon:

Motion by Cummings, second by Roesener to approve the lean-to addition on the pavilion in Veteran's Park for the Fire Department up to \$10,000.00 with funds from Fire Fighters Inc. Motion carried.

Motion by Cummings, second by Gear to approve replacing the old wood along the exterior of Veteran's Park pavilion with treated lumber and steel sheeting. Motion carried.

Motion by Cummings, second by Gear to approve replacing one freezer and one refrigerator in Veteran's Park pavilion with funds form the Parks Budget. Motion carried.

Motion by Cummings, second by Weis to approve 3 Poll Workers for the April 5, 2022 Spring Election. Motion carried.

Motion by Gear, second by Weis to approve changing the date of the April Board meeting to April 12th due to the Spring Election. Motion carried.

Motion by Roesener, second by Cummings to approve the Irrigation repairs quote for (new corner machine plus upgrade package) from Oasis Irrigation for \$87,728.40 from the Sewer Dept. Motion carried.

Roads and Streets Committee Meeting, Tuesday, March 15th at 6:30 p.m., Mun. Bldg.

Motion by Roesener, second by Weis to adjourn at 7:20 p.m. Motion carried.

Brenda Black

Village Clerk

Wayne Cummings, Chairperson called to order the Roads and Streets Committee Meeting on March 15, 2022 at 6:30 p.m. in the Village Office.

Committee Members present: Michele Weis and Cassandra Luna

Guests: Supt. Zouski

Items For Discussion:

The committee reviewed the 5 Year Capital Improvement Plan for our Roads and Streets. He said that there were a few areas that were not done in 2021. Some areas the committee would like to see done this year are repaving done from Pine St. from Highway 73 to Mill St, finish repaving Elizabeth St. from Beach St. to East St., doing some chip sealing in areas and quotes for finishing the sidewalk along Mill St. from N. Main to the Mill St. Park. Supt. Zouski said there are still some areas around the Village where water pools on the road and these need to be looked at as well. Also the area behind the R-Bar N Grill is still very low and collects water after rainstorms. Another area where some ditching needs to be done is by Jack Sherman's house on Elizabeth St., water always seems to pool in this too. Supt. Zouski said he will contact Brian Freimark, County Highway Commissioner to get quotes for these road areas that we need to work on. He will also get quotes from Tom Downey for the sidewalk replacement on Mill St.

The next item discussed was the road repair that needs to be done by the entrances to Veteran's Park off Pine Street. Tractors entering fields on the west side of the park are breaking up the road by our entrances. The committee would like to see this entire area fixed or replaced this year. The Village can use the TIF funds to repair this area as it is within the TIF District.

The sidewalk replacement that the committee is intending to do along Mill St., each homeowner along Mill St. will have to be notified of our intention to replace this sidewalk. Our Village Ordinance states that when a sidewalk is replaced by the Village, the homeowner is responsible for ½ of the bill. They can chose to either pay it in full at the time of replacement or it is put on their property taxes as a assessment for 5 years until full payment is received.

The next item discussed was the replacement of our old Case IH Farmall tractor with loader. Supt. Zouski received a quote form Service Motor Company for a new one at \$64,300.00 with a trade of our old tractor of \$20,000.00 for a total of \$44,300.00. This would be purchased with money from a loan from the Portage County Bank for 5 years with the first payment being in 2023. Supt. Zouski said he also asked for a quote from Riesterer and Schnell on a new John Deere Tractor as well but has not heard back from them yet. Cummings said he would like to see the purchase of this tractor put on the April 12th Board Meeting for approval from Service Motor Company pending we do not receive a lower bid from Riesterer and Schnell.

The meeting adjourned at 7:06 p.m.

Brenda Black, Clerk

Wayne Cummings, Chairperson of the Building Committee called to order a meeting on Tuesday, March 29, 2022 at 6:30 p.m.

Roll Call: Michele Weis and John Roesener

Guests: Supt. Zouski

Items For Discussion:

The committee reviewed the two quotes they received from Cummings Construction and Bob Hill Construction for the replacement of the roof on the Professional Building. The quote from Cummings Construction was \$15,321.00 and the quote from Bob Hill Construction was \$14,950.00. The committee's recommendation was to accept the quote from Bob Hill Construction for \$14,950.00 to have this work completed.

The committee reviewed the two quotes they received from Cummings Construction and Bob Hill Construction for the replacement of the pumphouse roof in Veteran's Park. The quote from Cummings Construction was \$5,875.00 and the quote from Bob Hill Construction was for \$6,760.00. The committee's recommendation was to accept the quote from Cummings Construction for \$5,875.00 to have this work completed.

These two accepted quotes will be on the April 12, 2022 Board Meeting for approval. Supt. Zouski will contact both of the contractors to let them know their quotes have been approved.

Other building items discussed were the replacement of the two west facing doors on the Community Center building. Supt. Zouski will contact Quality Door & Hardware in Wisconsin Rapids to get quotes for the replacement of these two doors. They are the company who did our South facing doors on the same building. Also discussed was getting a new door for the entrance to the dentist office on the Professional Building. Bob Hill was contacted regarding doing this as he will be putting in a new door for the entrance to the Village Office.

The meeting adjourned at 6:46 p.m.
